*Watkins Cup Point Tournament

WATKINS CUP POINTS

A season long points competition where members vie throughout the season to earn a coveted spot on one of our two Ryder Cup style Watkins Cup teams

During the season long competition, members earn points based on their participation and performance. Once the season concludes, the top 40 men and top 12 ladies on the Watkins Cup leaderboard will be drafted into the Watkins Cup. This leaderboard will be based on the number of Watkins Cup tournaments played and points earned throughout the year. Team members will enjoy a complimentary weekend of golf, parties, uniforms, tee gifts and more! In addition, the top 3 finishers in both the Men's and Ladies' Divisions will split over \$1,000 in prizes.
